Amendment Details

List changes that are being applied for (more space overleaf) and highlight changes on corresponding plans if applicable – a copy of the plans must be submitted with this application.

The original application sought to partially vary Restriction No.2 by removing the 12-metre "no building" restriction along the rear boundary.

The amended application now seeks to define the 12-metre rear boundary restriction in accordance with Barwon Water's requirements.

The proposed description of restriction is as follows:

The Registered Proprietor or Proprietors of any burdened lot must not construct sanitary fixtures within the 12-metre-wide hatched area unless otherwise approved by Barwon Water.
