

To Whom It May Concern:

PAMS Dog Day Club Pty Ltd would like to apply for an amendment of PP-53-2017/B to include:

-Change of name of Licencee from Blue Moon Pet Services to Pams Dog Day Club

-Amend site plan include outdoor area and boarding pens (attached)

-Amend hours of operation.

Daycare hours: 630am to 6pm Monday – Friday (closed on public holidays)

Overnight boarding drop off & pickup times 9am to 5pm Monday – Sunday (including public holidays)

-Total number of dogs staying overnight: 30

-Total number of dogs remains 85 inclusive of overnight dogs.

I have contacted the Department of Environment and Primary Industries in relation to the Code of Practice and we can comfortably accommodate this amount of dogs in the center following the rules of how many dogs allowed per square meter. This includes exercise areas, boarding pens, rest areas, outdoor area, quarantine & isolation areas. See attached plan.

We will have adequate staffing as per the code of practice and will hire more as required. We have a large demand for overnight boarding from our existing daycare client base and would really like to accommodate their needs in an environment that their dogs already feel comfortable.

We have a large car park to accommodate pick ups and drop offs.

We have 2 x 240L council bins for waste disposal.

We comply with the Animal Management Team at all times and are happy to implement anything they may require.

Please don't hesitate to contact me if you require further information.

Kind Regards,

PAMS Dog Day Club Pty Ltd (Formerly Blue Moon Pet Services)
