

AMENDMENT C330

Connections Park, Corio - Rezoning of the former skate and BMX site

Back in August 2015 the Greater Geelong City Council resolved to support changing the zone of the eastern part of Connections Park.

This follows other Council projects underway at Connections Park:

- Removal of the skate pads and BMX jumps.
- Redevelopment of the Rosewall Neighbourhood Centre.
- Supporting the Dept of Education in the sale of the former Primary School site.

All these projects are supported by the Corio Norlane Structure Plan that was completed in July 2012.

What is the Corio Norlane Structure Plan?

The Corio Norlane Structure Plan sets a vision and strategic framework for land use and development in Corio and Norlane. The Structure Plan provides direction for key development sites – including the former Rosewall Primary School site and Connections Park.

What is Amendment C330?

Amendment C330 will formally change the zone of a part of Connections Park from the Public Park and Recreation Zone to the General Residential Zone, as shown on the map opposite.

Does Amendment C330 change how I access and use Connections Park?

No. The amendment will only rezone the eastern part of Connections Park to a residential zone. The land will remain accessible to the public.

What happens after the land is rezoned?

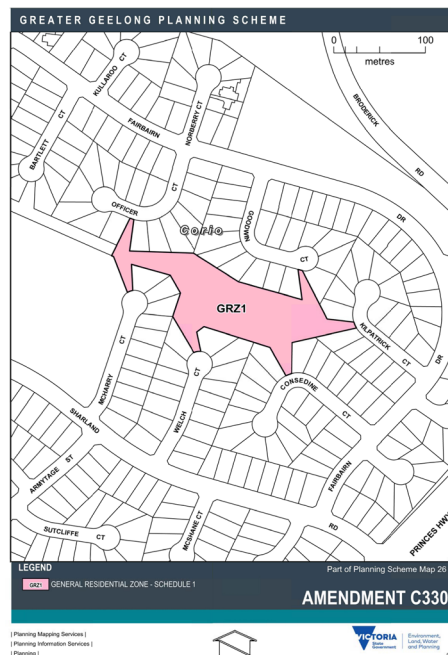

After the land has been rezoned it will still be owned by Council. However the

long term plan is that this land will be sold or converted to other uses, such as housing, aged care or retirement living.

- 100 Brougham St, Geelong;
- City of Greater Geelong Rosewall Neighbourhood House.
