

GREATER GEELONG PLANNING SCHEME

Please Note:
The proposed Farming Zone boundary shown on this plan has been drawn to match the title boundaries confirmed by the Re-Establishment Survey completed by SMEC in 2015. The property boundaries (black lines) shown on this plan reflect Planning Mapping Services existing cadastral data, which may now be superseded, and will be updated when the new survey data has been lodged with the Titles Office. The mis-matching of old and new cadastral data is the reason for any slight discrepancies shown in the proposed zone boundary.
