Dear David

Re: Drysdale Bypass – City of Greater Geelong Submission to Amendment C369

This submission has been prepared by the Strategic Implementation Unit for the Greater Geelong City Council. Council is pleased to provide this submission to Amendment C369 to the Greater Geelong Planning Scheme.

The Drysdale Bypass project represents a significant infrastructure investment by the Victorian Government. Council officers have been working collaboratively with VicRoads during the past 18 months to realise the Bypass to the benefit of the Drysdale and broader Bellarine community.

Please find attached Council's submission to Amendment C369. Council may make further submissions to Amendment C369 at the Hearing of the Independent Panel.

Please direct any queries or discussion about the submission to Peter Schembri, Senior Strategic Planner, on telephone number 5272 4496 or by email to pschembri@geelongcity.vic.gov.au

Yours sincerely
