NOTATIONS

This plan is prepared from a combination of field survey and existing records for the purpose of designing new constructions on the land and should not be used for any other purpose. The site boundaries shown hereon were re-established but not marked by St. Quentin Consulting Pty Ltd. at the time of survey. Services shown hereon have been located where possible by field survey.

Prior to any demolition, excavation or construction on the site, the relevant authority should be contacted for possible location of further underground services and detailed locations of all services. This note is an integral part of this plan.
