Dear Ms Wastie

GREATER GEELONG PLANNING SCHEME AMENDMENT C471ggee

I am writing to advise you that, under delegation from the Minister for Planning, I have approved Amendment C471ggee to the Greater Geelong Planning Scheme.

The amendment is required under section 56(1)(a) of the *Heritage Act 2017*, which states that:

'The Minister administering the Planning and Environment Act 1987 must prepare and approve an amendment to any planning scheme applying to a place which is included in the Heritage Register to identify the inclusion of that place in the Heritage Register.'

Amendment C471ggee updates the planning scheme maps and the Schedule to the Heritage Overlay so that the Greater Geelong Planning Scheme is consistent in describing and mapping those places that are entered in the Victorian Heritage Register.

The amendment will come into effect when notice of its approval is published in the *Victoria Government Gazette*.

If you would like further information, please contact Sonia Rappell, Senior Heritage Planner, Department of Transport and Planning, on email Sonia.Rappell@delwp.vic.gov.au.

Yours sincerely
